Extract from the Address presented by V. Sri Hosakeppa krishna Rao to the

The Government order regulating the presentation of Addresses by the members of this Assembly acts as a hardship and needs modification. The conditions of the Malnad are quite unique and very often unintelligible to strangers. A separate representation by the Malnad Members is therefore a great necessity. The meeting of the Representative Assembly is the only suitable occasion for such representation. As the district of Kadur, within which the Malnad taluks lie, consists partly of Maidan taluks and as the people of the two tracts live far away from one another, it is impossible for the two to think and act in concert. Hence addresses on behalf of the district as a whole will be of very little benefit to the Malnad. The Government order deprives the Malnad representatives of a privilege which they have long enjoyed and from which they have derived much good and hope to achieve better results in the future. It is therefore requested on behalf of the Malnad public, that the order may be generously revised.
